The subsidy amounts in the Tier Subsidy Table are based on family's income, family size, and the Fair Market Rents published by HUD.

Sec. 8 Housing Choice Vouchers
Average Turnover per Year:

In 2013, after significant stakeholder engagement and through the HACSM FY14 MTW Plan, HACSM expanded its time-limited MTW Self-Sufficiency Program to serve up to 800 households. On 1/13/2014, HACSM opened the MTW Self-Sufficiency interest list to the public through an online application portal. Anyone interested in the program may apply anytime online. When vouchers become available through turnovers, HACSM will select applicants through a lottery process. HACSM conducted its first lottery on 2/18/14, 300 applicants were selected for eligibility interviews. The interest list will remain open until further notice. As of 4/18/14, 5216 applications were received. Additionally, approximately 4635 families remain on the various HACSM's Project-Based waiting lists.
